Subject: Applying for a study permit for less than six months: Exempted from the Québec Acceptance Certificate (CAQ) for studies

To Whom it May Concern:

I am applying for a study permit so I can study at Université Laval in [**Choose one option:** an exchange student program lasting less than six months **or** a program lasting less than six months], even though I may be exempt from needing one.

I would like to get a study permit to be allowed to work on campus during my stay. I would like to make sure that the following condition is included on my permit: "May accept employment on or off campus if meeting eligibility criteria as per R186(f), (v) or (w). Must cease working if no longer meeting these criteria."

Under section 20(4) of the [Québec Immigration Regulation](https://www.quebec.ca/en/education/study-quebec/obtaining-authorizations/authorizations#c115419), I am exempted from the requirement to obtain a Québec Acceptance Certificate (CAQ) for studies because I will be staying for less than six months (<https://www.quebec.ca/en/education/study-quebec/obtaining-authorizations/authorizations#c115419>).
